

## WEBINAR

### **Military Health System Population Health System (MHSPHP) Redesign**

**Join us to listen and view slides on the upgrades and changes in to be made to the MHSPHP to be released during the Fall 2009.**

**This event will take place on “Defense Connect Online” (DCO), a collaborative web-based application.**

#### **Target audience:**

MTF staff from primary care settings who are assigned duties in population health, case management, disease management, and other forms of medical management activities.

#### **Featured Guest Speaker:**

Mrs. Judy Rosen, Nurse Informaticist, Clinical Informatics Branch, AFMS-CIO

#### **Dates of Webinar:**

Monday, August 24, 2009 from at 1630 to 1730 Central Time (Daylight/Standard, depending on your location)

To be repeated on Monday, August 31, 2009 beginning at 0830 until 0930 Central Time

#### **Defense Connect Online**

Go to the following web site: <https://connect.dco.dod.mil/mhsphp>

When you get through to the DCO link you will have the option to register as a guest or log in (if you have an account).

Register as a guest by entering your name **and** location.

Our hostess will get a message that you are 'there' and will give you access.

In addition, dial in by telephone for the audio component of the presentation.

Here is the dial-in:

CONUS: 1-866-687-6017

OCONUS: +1-203-566-3577

Passcode: 126048

**Please note:** Each event has limited audio capability for up to 70 participants. Please use a speakerphone set-up with your colleagues if possible in order to conserve telephone line access for other MTF.
