

 **Critical Care-Surgery**
  Version 1.0

  Physicians requesting privileges in this subspecialty must also request privileges in their primary discipline.

  Scope

**C**  **P390462:** The scope of privileges in Critical Care includes the evaluation, diagnosis, and provision of treatment or consultative services to critically ill patients with neurological or postneurosurgical, postsurgical, or postcardiac/thoracic surgical organ dysfunction and/or who are in need of critical care for life-threatening disorders. The provider may admit in accordance with MTF policies. Critical care medicine specialists assess, stabilize, and determine the disposition of patients with emergent conditions in accordance with medical staff policy.

  Diagnosis and Management (D&M):

**C**  **P384774:** Electrocardiogram (EKG) interpretation

**C**  **P390403:** Parenteral nutritional support

**C**  **P390405:** Use and set up of amplifiers, recorders, transducers, metabolic, respiratory and hemodynamic monitors

 **P390407:** Management of intra-aortic assist devices

**C**  **P390411:** Invasive and noninvasive cardiac output measurement

**C**  **P390413:** Thrombolytic therapy

**C**  **P385771:** Intracranial pressure monitoring

**C**  **P390416:** Interpretation and management of acid-base disturbances

**C**  **P390418:** Blood and component therapy administration

**C**  **P390421:** Use of neuromuscular blocking agents

**C**  **P390423:** Hypothermic therapy

  Procedures:

**C**  **P388370:** Endotracheal intubation

 **P388411:** Suprapubic bladder aspiration

 **P390432:** Percutaneous endoscopic gastrostomy tube placement

**C**  **P390434:** Vascular ultrasound for intravenous and intra-arterial catheter placement

 **P390436:** Manage pediatric intensive care disorders

 **P390440:** Transtracheal needle aspiration

 **P390446:** Continuous hemofiltration dialysis

 **P390448:** Cardioesophageal balloon tamponade / Sengstaken-Blakemore tube placement

 **P390450:** Thoracoscopy

 **P390442:** Percutaneous placement of peritoneal dialysis catheter

 **P390320:** Peritoneal dialysis

**C**  **P390428:** Percutaneous tracheostomy

  Other (Facility- or provider-specific privileges only):
