# IT'S ALRIGHT TO REMIND ME...

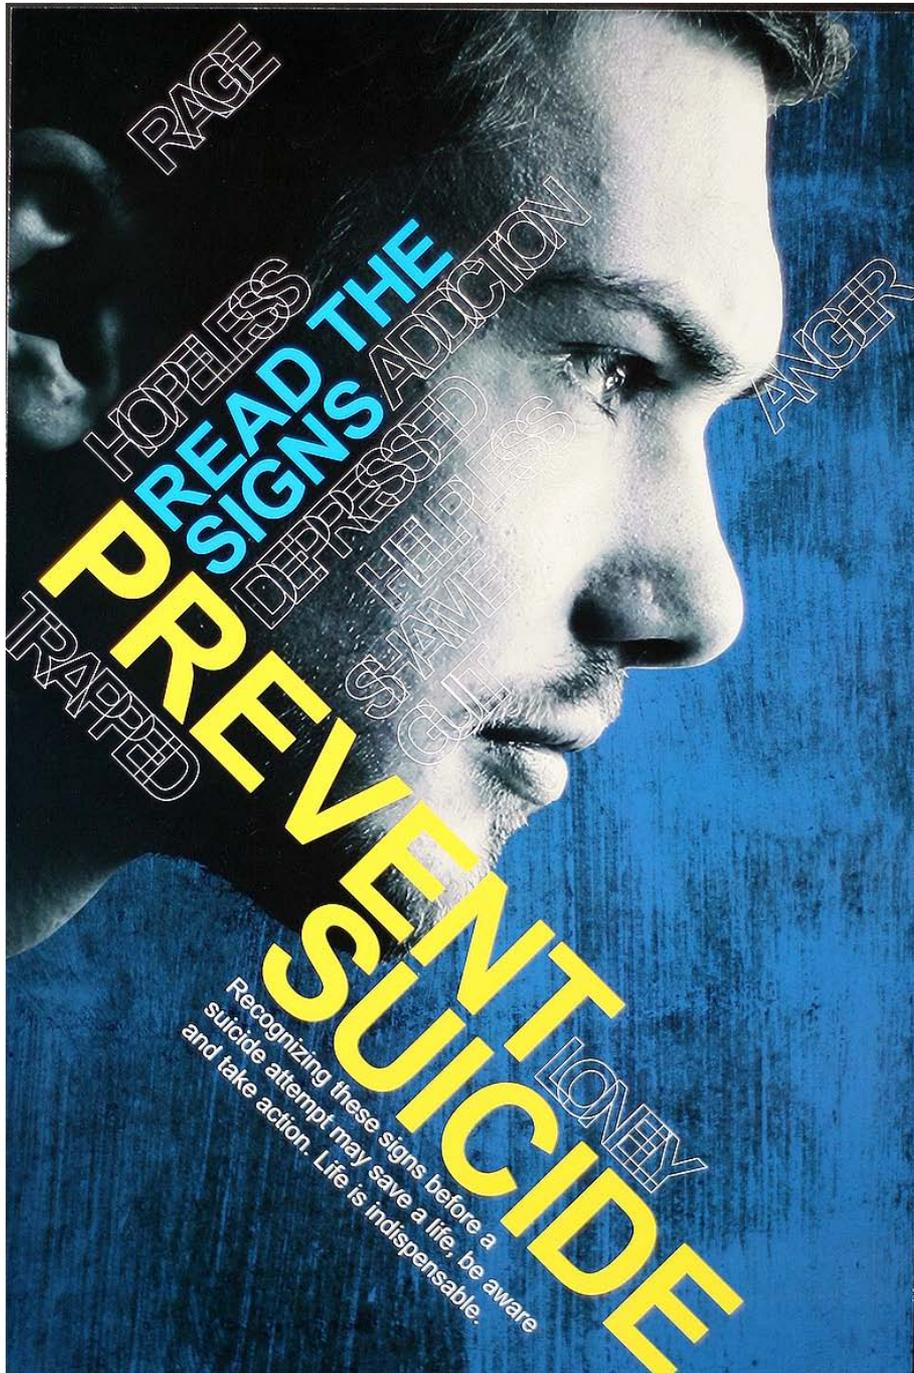

1. TO WASH MY HANDS BEFORE I TOUCH YOU
2. TO ASK YOU IF YOU'RE IN PAIN
3. TO ASK YOU YOUR NAME AND DATE OF BIRTH EACH TIME I GIVE YOU MEDICATION
4. TO MAKE SURE I USED THE 5-RIGHTS BEFORE GIVING YOU MEDICATION
5. TO COME BACK ABOUT AN HOUR AFTER I GIVE YOU PAIN MEDICATION; TO SEE IF IT WORKED
6. TO ASK YOU ABOUT YOUR MEDICATIONS AND TO MAKE SURE YOU KNOW ABOUT THEM
7. TO ASK YOU ABOUT ANY ONE HURTING YOU AT HOME

WE'RE IN THIS  
TOGETHER!
